

ALWAYS BUILDING NEVER FINISHED

Gotham FC's 2025 Community Impact

INTRODUCTION

As we reflect on the 2025 season at Gotham FC, our community and social impact efforts remain rooted in our mission: to be a true asset to New York and New Jersey, leveraging the power of women's professional soccer to create space for connection, opportunity and change.

OUR 4 GUIDING PILLARS

YOUTH ACCESS TO SOCCER

LGBTQIA+ RIGHTS & ADVOCACY

WOMEN'S ADVANCEMENT

SUSTAINABILITY

Our pillars define not only why we do this work, but how we show up in every matchday activation, partnership and community initiative.

This report highlights a year of impact initiatives driven by Gotham FC and our community. This work is at the core of who we are and every initiative, fundraising effort, community activation and in-stadium celebration is created with the mission that we also reflect the values of you, our fans, partners and Gotham FC family. Your support furthers our impact and ensures that together, we'll carry forward our vision of access, inclusion and empowerment for all.

TO OUR GOTHAM FC COMMUNITY

At Gotham FC, our social impact is powered by a community that believes in soccer's ability to create real change. We are deeply grateful to our fans for their continued support and engagement throughout 2025. Together with our supporters and our presenting partners – CarMax and Dove – our community partner organizations play a vital role in how we show up meaningfully in the New Jersey and New York community. We are profoundly thankful for the leadership, vision, and sustained commitment of the Laurie M. Tisch Illumination Fund, which plays a critical role in fueling our initiatives, and Charter Oak Impact, Girls Leadership, and Playworks, whose strategic guidance and collaboration enables us to turn purpose into a legacy of lasting impact.

– CAROLYN TISCH BLODGETT, GOVERNOR, GOTHAM FC

Gotham FC impact is a team effort and would not be possible without the dedication and efforts of our partners, with CarMax presenting CarMax Kids and Dove presenting Keep Her in the Game, as well as our **community partner organizations**:

THE LAURIE M. TISCH ILLUMINATION FUND is the founding philanthropic partner of Keep Her in the Game and newly Elevate Play. Based in New York City, the Illumination Fund is dedicated to increasing access and opportunity for all New Yorkers and fostering healthy, vibrant communities. Through strategic grantmaking and initiatives such as Play to Thrive, the foundation supports programs that use the arts and sports to improve health and promote equity, especially for girls and youth at risk.

CHARTER OAK IMPACT, a social impact and sponsorship firm, supports Gotham FC's Community Impact team in the creation and implementation of its initiatives, and is instrumental in both the execution and monitoring and evaluation process of programs such as Keep Her in the Game, Elevate Play and new ventures. The Charter Oak team is invaluable to Gotham FC's impact work and their unwavering partnership underpins the success of the club's mission.

The non-profit **GIRLS LEADERSHIP** has played an integral role in the development and execution of Gotham FC's flagship program, Keep Her in the Game. The thoughtful design and implementation of coach and parent training sessions and the research-backed curriculum are a result of Girls Leadership's expertise and dedication to creating environments where girls exercise the power of their voice.

PLAYWORKS NEW YORK/NEW JERSEY'S mission is to improve the health and well-being of children by increasing opportunities for physical activity and safe, meaningful play. The non-profit's educational training assists children and their supporting adults in becoming well-rounded physically, socially, and emotionally. Together with the Illumination Fund and Gotham FC, Playworks will lead the implementation of Elevate Play to combine best-in-class instruction to enhance school physical activities while also providing young people meaningful opportunities to experience Gotham FC home matches in their community.

IMPACT REPORT OUTLINE

01 CREATING ACCESS TO GAMES + PLAY

- CarMax Kids + Clinics
- Elevate Play (launching 2026)

02 KEEP HER IN THE GAME

- Celebrating 1 year of KHITG
- 2nd Year Kick Off
- Impact in Numbers

03 PRIDE 365

- Lesbian Visibility Week
- Pride Month
- Cloud 9 Prideraiser Campaign for the Ali Forney Center

04 IN-GAME RECOGNITIONS

- Pre-Game Parades
- On-field Recognitions
- Torchbearers

05 IN-KIND DONATIONS + TICKETS

- Gotham FC Donations
- Fundraising with Fans
- Complimentary Tickets

06 LEADERSHIP IN THE COMMUNITY

- Aspen State of Soccer Advisory Group
- NJ Youth Sports Conference
- *Changing the Game:* Rebel Girls Book Release

07 GOTHAM FC FAMILY

- Thank you to our 2025 supporters, partners and engaged organizations

CREATING ACCESS TO GAMES & PLAY

CARMAX KIDS + CLINICS

IN-STADIUM EXPERIENCE

CarMax Kids, presented by CarMax, provides local nonprofit organizations and the youth they serve the opportunity to access and experience a Gotham FC game day. Organizations are provided tickets, transport and meal vouchers, tackling the barriers to access.

CLINICS WITH VOLO KIDS FOUNDATION

Together with CarMax and Volo Kids Foundation, we hosted summer youth clinics to champion access to soccer for kids.

90+
YOUTH
ages 5-13 years old, accessed free soccer clinics and received exclusive giveaways.

2
LOCATIONS
served across McCaren Park in Brooklyn, NY, and Lincoln Park in Jersey City, NJ.

3
CLINICS
led by Volo Kids Foundation coaches, including soccer drills and games.

1,333 TICKETS

DISTRIBUTED ACROSS THE 2025 SEASON VIA THE CARMAX KIDS PROGRAM, PROVIDING ACCESS TO A GOTHAM FC HOME GAME.

12 NONPROFITS SERVED

4 of these nonprofits were new program participants, seeing Gotham FC build impactful relationships with leaders in their spaces such as Dear Black Girl, Apex for Youth, Project Glimmer and the YMCA of Newark.

For many of us, this was a first-time experience – some had never left the Bronx before – and to witness their awe and happiness was deeply moving. Coming from moderately low-income households, opportunities like this are rare, and this was nothing short of **magical**.

– CASSANDRA PRYOR
Founder and Executive Director of Dear Black Girl

CREATING ACCESS TO GAMES & PLAY

ELEVATE PLAY (LAUNCHING 2026)

Together with the Laurie M. Tisch Illumination Fund and Playworks, Gotham FC will provide a record-breaking 10,000 youth, public school educators and caregivers with free access to attend Gotham FC games in the 2026 season. Playworks will additionally provide 20 schools and organizations with capacity building training to support partners with safe and healthy play focused on the principles of fairness, respect and teamwork.

PROGRAM PARTNERS

FOUNDING PHILANTHROPIC PARTNER

CELEBRATING 1 YEAR OF KEEP HER IN THE GAME

In August we celebrated 1 year of Keep Her in the Game, presented by Dove and backed by the Laurie M. Tisch Illumination Fund. The program tackles the high rates at which girls drop out of sports by age 14, equipping the trusted adults in girls' lives – caregivers and coaches – with research-backed training to help girls develop leadership skills and a growth mindset. Check out our [KHITG-specific impact report](#) to learn more about our first year of programing.

YEAR 1 IMPACT

97 COACHES TRAINED

30 PILOT FALL COACHES
67 SPRING COACHES

226 PARENTS /

Her in the Game Day, presented by Dove,
at Sports Illustrated Stadium

1,783 GIRLS AGED 11-14

reached via curriculum
deployed by their coaches

160+ GIRLS VISITED
by Gotham FC players

2ND YEAR KICK OFF

YEAR 2 HIGHLIGHTS

With exciting momentum underway for the second year of KHITG, in September 2025 we welcomed our next cohort of 95+ coaches – our biggest yet.

For the first time, the program will run from fall through spring, giving coaches more time and space to integrate the curriculum into their teams' practices and games. This expansion also allows for deeper alignment with Dove's Body Confident Sport program, providing even more tools to build self-esteem through sport.

FALL 2025 - SPRING 2026 COHORT INSIGHTS

- 95+ new coaches trained and onboarded in collaboration with curriculum partner, Girls Leadership
- Designed **conversation cards** to prepare coaches for challenging conversations with their players
- Introduced **office hours** with Girls Leadership's Dr. Jia Nettles and Gotham FC's Emma Walley to further support coaches
- Created a **resource hub** of files for coaches to more effectively access all necessary program information

100% OF GIRLS SURVEYED AT THE
END OF THE SEASON REPORTED

PLAYING SOCCER
A YEAR FROM NOW

One of the most valuable aspects of the KHITG program is that it expands the role of the coach. I think it's important for coaches to reflect on their impact on players besides teaching them the sport. I also think the program gives power back to the players to be involved in their playing experience.

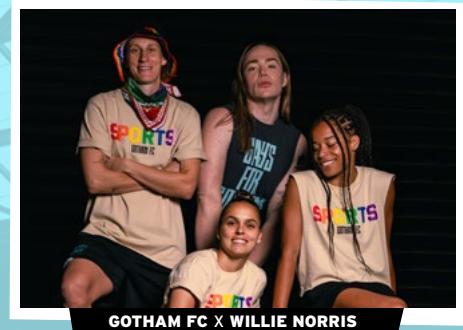

– COACH AMY

PRIDE 365

Pride 365 is Gotham's FC's initiative dedicated to advocacy, education, and celebration – and is at the core of our year-round commitment to advancing LGBTQIA+ rights and advocacy. Powerful moments of connection, creativity, and community impact happened all year round – here's some of our favorite moments.

LEADERSHIP IN THE COMMUNITY

ASPEN INSTITUTE'S STATE OF SOCCER

NEW YORK CITY/NORTHERN NEW JERSEY ADVISORY GROUP + 10/10 STATE OF SOCCER SUMMIT

Gotham FC is a founding member of the Advisory Group, and invited key stakeholders from the soccer community to join us in guiding the Aspen Institute's new research, underwritten by the Laurie M. Tisch Illumination Fund, analyzing the local youth soccer ecosystem to understand the challenges and opportunities for more children to play soccer.

In 2025, Gotham participated in 3 in-person convenings, culminating in the State of Soccer Summit in October, where Gotham GM Yael Averbuch West was featured, and Gotham's new impact program Elevate Play was announced in collaboration with the Laurie M. Tisch Illumination Fund and Playworks.

11/5 NJ YOUTH SPORTS CONFERENCE

Gotham co-hosted a first-of-its-kind New Jersey Youth Sports Conference alongside the NY Giants, NY Jets, NJ Devils, NY Sirens, and NY Red Bulls. Our Community/Social Impact Team, Corinne Counsell and Emma Walley, presented about Gotham's Impact initiatives.

We're proud to support collective action across New Jersey to increase youth sports participation – and keeping youth in the game through joy and connection.

CHANGING THE GAME:

A PLAYBOOK FOR CHAMPIONS IN TRAINING
REBEL GIRLS BOOK!

CHANGING THE GAME: REBEL GIRLS BOOK RELEASE

In August 2025, Gotham FC, in collaboration with Dove and girl empowerment brand Rebel Girls, launched **Changing the Game: A Playbook for Champions in Training** – a first-of-its-kind children's book by an NWSL club.

The book, inspired by Gotham FC's Keep Her in the Game initiative, presented by Dove, features educational tools for body confidence and mental resilience, alongside training tips for young soccer players.

Changing the Game highlights:

- Gotham FC's World Cup winners and Olympic gold medalists
- Keep Her in the Game participants

In addition to Gotham FC stars such as Jess Carter and Rose Lavelle, the book also shares the stories of three girls and one coach who are part of the Keep Her in the Game initiative, reinforcing that role models exist at every level of the sport.

**MORE THAN
1,000
PHYSICAL COPIES**

of **Changing the Game** through matches, youth programming, events, and partner fundraisers

**MORE THAN
26,000
DIGITAL COPIES**

The project has become a powerful extension of Gotham FC's commitment to keeping girls in sports – fueling confidence, joy, and inspiration while building the next generation of players, leaders, and lifelong fans of women's soccer.
